The screenshot displays the IBM Cognos Analytics with Watson web application interface. At the top, a browser tab bar shows several open tabs including 'Apps', 'Gmail', 'YouTube', 'Maps', 'News', and several instances of 'SIET Assessments A...'. The application header is blue with the text 'IBM Cognos Analytics with Watson' on the left, a search bar with the placeholder 'Search content' in the center, and a user profile icon on the right. Below the header, a blue banner contains a maintenance notification: 'Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events'. The main content area has a dark background with the text 'Hello. Welcome to Cognos Analytics with Watson.' and a subtext: 'You can get started right away by taking a look at our introduction video, product tour and Getting Started tab.' Two buttons are present: 'Watch video' and 'Take a product tour'. To the right of the text is a 3D isometric graphic of blue cubes. On the far right, a user profile dropdown menu is open, showing the user's name 'Amsa Lakshmi B (2632a...)', email 'achuamsa@gmail.com', and a 'Profile and settings' link. The menu also lists options: 'My schedules and subscriptions', 'Log my session', 'About', 'Manage product subscription', 'Privacy', 'Cookie Preferences', 'IBM Cognos Analytics Mobile', and 'Log out'. At the bottom, a 'Quick launch' section contains four icons: an upward arrow, a flowchart, a diamond with a cross, and a monitor.
